

In compliance with Construction Products Regulation 2011 (retained EU law EUR 305/2011) as amended, this certificate applies to the construction product

produced by

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in annex ZA of the designated standard

under system 2+ are applied and the factory production control fulfils all the prescribed requirements set out above.

This certificate remains valid as long as the conditions laid down in the designated technical specification in reference or the manufacturing conditions in the factory or the Factory Production Control Plan itself are not modified significantly.

Further information about the product parameters and description of the products are included in the scope of approval, annex 1 to this certificate.

In order to adhere the validity an annual surveillance audit is required.
